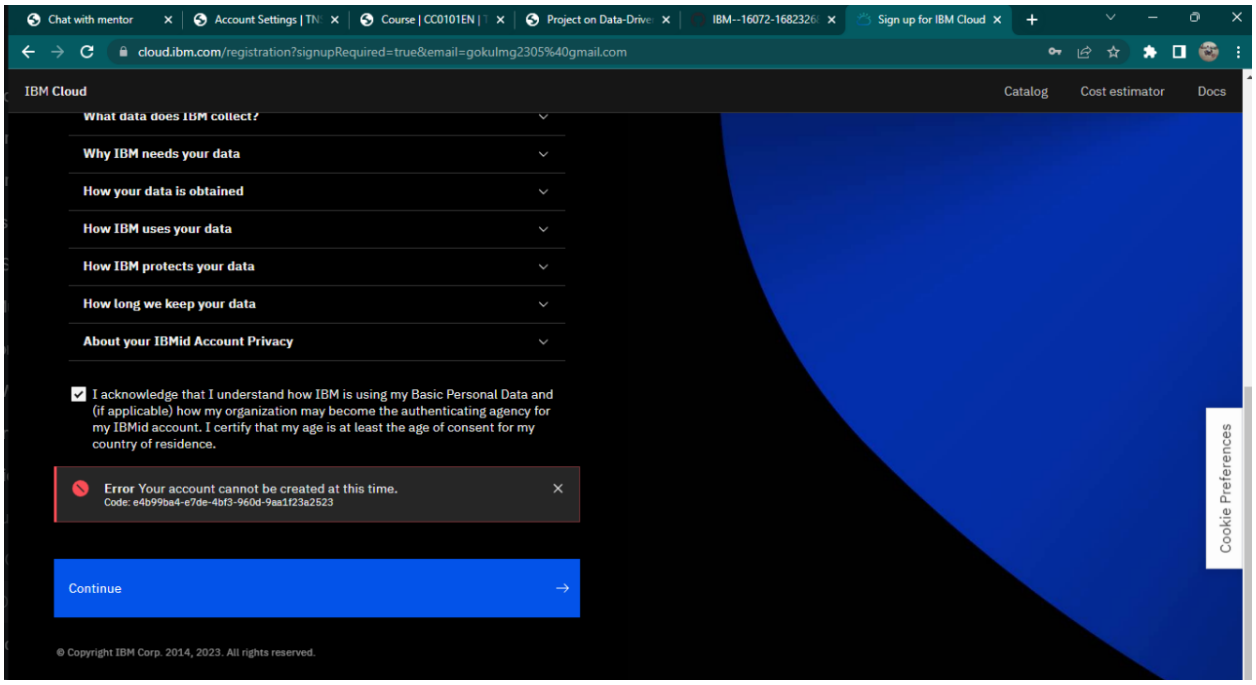
Create IBM Cloud Account

To create an IBM Cloud account, please follow the procedure outlined in the document provided in this link:

https://drive.google.com/file/d/1ql_065JSGs06ZfimMGzrQ6NckihrHR4b/view?usp=sharing

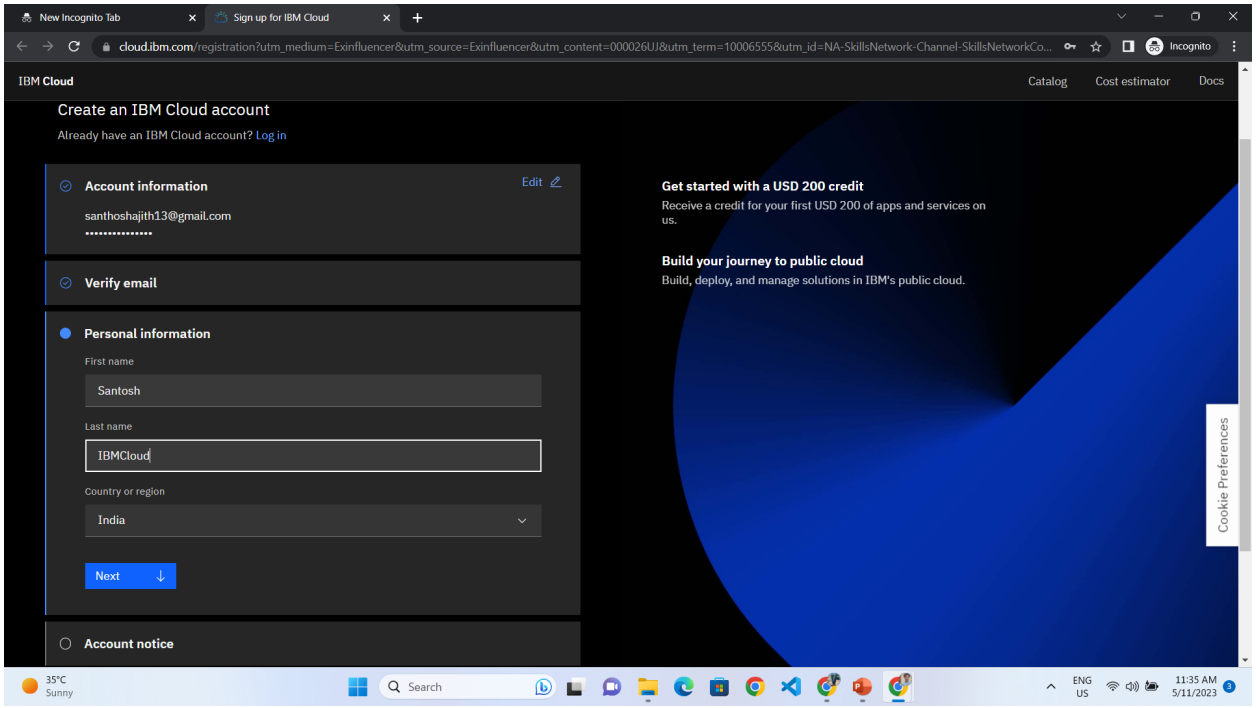
If you experience any issues while creating your IBM Cloud account, you can try the following steps to overcome the error and successfully create your account.

1- If you encounter the error message "Your account cannot be created at this time".



Please ensure that the characters in your first and last name are more than five when filling out the IBM Cloud account creation form.

For example, if your name is “Shivam Sh”, please enter "Shivam" in the first name field and "Ibmcloud" in the last name field, as shown in the below screenshot so that you will not get any error message.



After click on next Accept the terms and conditions then click on continue->Review account privacy notice mark the checkbox then click on continue
